## STEP 2 - OVERVIEW

We create a guided learning experience that inspires your team to understand, interact and share in a group setting. Powerful moments of discovery include learning your team type. *Find out which one of our 9 team types is yours - today!*

## GUIDED LEARNING EXPERIENCE

Your team will have the unique opportunity for personalized moments of self discovery, moments of clarity about their working relationship with others on the team and moments of incredible connection as they see how everyone fits together.

## COMMON LANGUAGE

Visualizing and grouping leadership traits within our 4 quadrants will help strengthen team dynamics by identifying overlapping and conflicting styles.

## KEY BENEFITS

Your team will leave our sessions ready to rally around each other, leverage their collective strengths and plan forward to avoid potential team setbacks. Our action-focused breakout sessions will build the momentum you need to accomplish your goals.
